- 65 After eating the magma cube, the frog creates a froglight
- 66 Alex uses scaffolding to create a ladder
- 67 Noor takes the frog through a Nether portal
- 68 Alex is in the caves looking for glowberries
- 69 Alex manages to reach the glowberries
- 70 The frog eats the magma cube
- 71 Alex finds some glowberries, but they're too high up for her to reach them!
- 72 Noor has discovered some ocean ruins
- 73 Noor takes out his trusty pickaxe
- 74 Alex creeps through a cave, deep underground
- 75 Alex takes the the soul lantern
- 76 Noor finds the lanterns he needs
- 77 Alex defeats a spider with her sword!
- 78 Alex and Noor reunite and bring back all of the light sources they found
- 79 One sea lantern should be enough
- 80 Alex finds a soul lantern... which is just what she was looking for!
- 81 Finally, Noor and Alex collect the four different lights they've collected. What a stylish way to keep hostile mobs at bay!

## DANGEROUS ENCOUNTER #82-99

82	83	84
85	86	87
88	89	90

91	92	93
94	95	96
97	98	99

- 82 An ancient city, deep underground
- 83 An ancient city tower... with a monstrous warden lurking inside
- 84 Efe takes a step forward...

- 85 Two adventurers are exploring the city, searching for hidden treasures
- 86 Alex looks scared too...
- 87 The noise triggers a sculk sensor nearby...
- 88 Efe peers around, warily
- 89 A skull lies on the ground. Could it be from one of the warden's victims?
- 90 Alex and Efe are terrified: any noise might attract the warden!
- 91 Alex decides to use a carpet
- 92 A giant altar
- 93 ...But the noise from their footsteps triggers a sculk shrieker. This will surely attract the warden!
- 94 The two create a carpeted path, to move silently
- 95 A chest full of treasures is at the centre of the altar
- 96 Efe has almost made it to the chest
- 97 The carpet works, and quietly they advance further
- 98 Throwing caution to the wind, Efe starts running towards the treasure...
- 99 Oh, no! The warden appears between Efe and the chest!

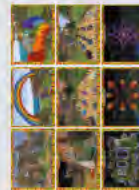

## RAINBOW DYE #100-135

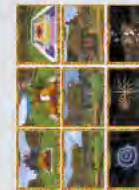

100	101	102
103	104	105
106	107	108

109	110	111
112	113	114
115	116	117

118	119	120
121	122	123
124	125	126

127	128	129
130	131	132
133	134	135

- 100 Alex now has wool of all colours
- 101 Alex shows off all the colours she owns
- 102 Beautiful designs are possible with terracotta
- 103 What better way to use it than to create a multicoloured carpet?
- 104 There's still enough wool to make colourful banners...
- 105 Terracotta designs can be appreciated from all angles
- 106 Or another wonderful use of coloured wool is to make a painting for a wall
- 107 ...Or beds, to give the room a rainbow touch!
- 108 Alex also uses terracotta to make beautiful water platforms
- 109 Many sheep of different colours are grazing peacefully in the grass
- 110 Coloured wool can be also used to make sculptures, like this giant diamond pickaxe...
- 111 Alex uses the different colours to experiment with stained glass...
- 112 Alex takes her shears out
- 113 ...Or this emerald...
- 114 ...Shulker boxes...
- 115 Alex shears the sheep to get coloured wool
- 116 ...Or a gigantic heart!
- 117 ...And even glazed terracotta!
- 118 With the leftover wool, Alex builds a beautiful rainbow
- 119 Alex loves to collect candles, and now she has them in all colours
- 120 Purple rays lighting up the sky

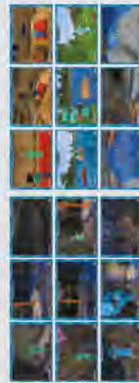

- 121** Here it is, in all its glory!
- 122** Alex wants to know what the candles look like when they are all lit
- 123** Yellow and red explosions
- 124** The village might need some decorations too
- 125** As night falls, Alex decides to celebrate with fireworks
- 126** And boom! Hey, that's not a firework!
- 127** Arranging several different glazed terracotta blocks, Alex builds a magnificent floor
- 128** Alex uses colourful carpets, banners and flowers to brighten up the blacksmith's house
- 129** The first firework fires into the night sky!
- 130** And why not build a beautiful rainbow house, while she's at it!
- 131** Another home in need of a makeover
- 132** Yellow and orange warming up the sky
- 133** The rainbow house is finished!
- 134** Colourful banners and carpets replace the cobwebs. Quite an improvement for this house!
- 135** Deep blue and cerulean explosions

## THE CAVE #136-171

136	137	138
139	140	141
142	143	144
154	155	156
157	158	159

145	146	147
148	149	150
151	152	153
163	164	165
166	167	168
169	170	171

- 136** Armour is essential for travelling in Minecraft
- 137** Uh-oh! Something feels wrong...
- 138** Steve ventures into the cave, where he sees diamond ore! He can't help but mine it
- 139** Steve searches his chest for the things he needs
- 140** The current is carrying the boat towards the edge of a waterfall!
- 141** Deep inside the cave, a spider spawner activates
- 142** Ready to leave the house!
- 143** Steve plunges down, along with the boat
- 144** There's so much to explore and discover in the cave that Steve soon loses track of time
- 145** Steve is sleeping soundly
- 146** Steve sets out on his expedition
- 147** Steve made it in one piece... the boat, not so much
- 148** Steve wakes up
- 149** Steve needs the boat to get to the other side of a large river
- 150** Steve finds himself at the entrance of a wonderful cave
- 151** Steve gets ready to explore the world
- 152** Steve takes the opportunity to relax as the boat floats downstream
- 153** The water in front of the cave is teeming with tiny fishes
- 154** Bats aren't the only mobs inside the cave...
- 155** From up above, Steve shoots the zombies with his bow
- 156** Oh no! More zombies have found him!
- 157** Zombies are starting to arrive on the scene too...

- 158** But it's still not safe... skeletons can still hit Steve with their bows
- 159** Steve runs for his life!
- 160** Steve doesn't realise that a skeleton has raised its bow and is aiming an arrow at him
- 161** The skeletons prepare to shoot more arrows
- 162** Hurry, Steve, get home safely! Your dog is waiting for you!
- 163** Something lurks in the darkness of the cave...
- 164** The skeleton's arrow almost hit Steve... but Steve has no idea where it came from
- 165** Steve quickly crafts some scaffolding and uses it to escape the cave
- 166** The cave fills up with pesky bats
- 167** Steve is chased by zombies
- 168** Steve made it out in one piece, again...
- 169** Steve is so distracted by the bats that he can't see the danger looming in the dark
- 170** Steve tries to escape by climbing the vines
- 171** Steve emerges into the night. It looks like he made it!

## WATCH OUT, SUNNY! #172-207

172	173	174
175	176	177
178	179	180
190	191	192

202	203	204
205	206	207

- 172** Sunny is in a cave, mining some amethyst
- 173** After a long climb, Sunny finally reaches the top of a high mountain. He plants a banner on the peak
- 174** Sunny wants to climb a very tall tree
- 175** A creeper emerges from behind the block Sunny is mining
- 176** Out of nowhere, a creeper manages to scare him again
- 177** Sunny uses the vines to climb
- 178** Frightened, Sunny jumps and loses his helmet and pickaxe
- 179** Sunny falls off the mountain
- 180** A creeper pops out, Sunny slips and falls down...
- 181** Sunny is building a corral for his cows
- 182** Sunny is out at sea, looking into his spyglass for islands to explore
- 183** Sunny enjoys a quiet night at the beach, relaxing under his umbrella
- 184** At last, the cows are all safe inside the corral!
- 185** Boo! A creeper pops into his field of view, looking huge through the spyglass...
- 186** Boo! Guess what? A creeper emerges from water!
- 187** Surprise! A creeper creeps up on Sunny, who is startled and drops his lead
- 188** Startled, Sunny falls into the water
- 189** Angry, Sunny buries the creeper in the sand
- 190** Sunny is exploring the Nether and finds a strider
- 191** Sunny rides his horse through the badlands, enjoying the stunning sunset
- 192** Sunny has devised a trap to scare the creeper: he put a dummy in his own place

- 193 Sunny decides to ride the strider to explore the lava expanse
- 194 Suddenly the horse rears in fear... it must have sensed something!
- 195 The creeper creeps up to the dummy, thinking it's Sunny...
- 196 Yep, you guessed it... a creeper pops up and down goes Sunny, straight into the lava!
- 197 It is, indeed, a creeper, who knocks Sunny off the horse
- 198 Disguised as a creeper, Sunny pops out of nowhere scaring the living daylight out of the mob. Sweet revenge, at last!
- 199 Sunny is home and sound asleep
- 200 Sunny is ready to ambush the pillager outpost
- 201 Sunny is making a snowman
- 202 No way! A creeper pops up outside the window, ready to blow itself up!
- 203 A creeper scares Sunny, revealing his presence to a pillager
- 204 And up pops a creeper... scary!
- 205 Sunny's house is now destroyed
- 206 The creeper and Sunny are held captive by the pillagers
- 207 Sunny decides he's had enough
